Will a parent or responsible adult be picking you up at the paddling site? If yes: who will pick you up and on which dates?

Write a sentence or two describing what you would like to do.

### BASIC RULES FOR IM KAYAKING

There are a few rules that you need to follow to make paddling fun for everyone.

- Please be considerate. Listen when the coaches or other paddlers are talking.
- All paddlers must help unload and load equipment.
- Be careful with the equipment.
- Be aware of where your paddle is — getting hit with a paddle really hurts!
- Please empty your boat and have it ready for the next paddler.
- Do not attempt to swim while others paddle.
- Laugh WITH others, not AT them.
- Do not litter. Please pick up any trash you find, even if it isn't yours.

I have read the Rules for IM Kayaking and agree to abide by them.
